**The Super Hero: Jewish Creators of Comic Books 1938-1950**

Free to FIU students with ID and JMOF members (\$6 for everyone else)

Look up in the sky! It's a bird! It's a plane! It's a colorful dynamic exhibit that immerses visitors in an interactive world of Super Heroes, highlighting the Jewish creators of comic books. The exhibit offers a unique perspective on the way pop culture portrays issues and how identity and culture can shape popular opinion. These are America's timeless icons like Superman, Batman, Captain America — you'll even see the phone booth where Superman changed his clothes AND a *Batmobile!*
